

COMPLIMENTARY AUDIO-VISUAL EQUIPMENT

The club's BenQ projector (image A) comes with a:

- 15-pin VGA Male to Male Cable (image B)
- HDMI Cable (image C)
- Apple Lightning Digital AV Adaptor (image D)
- USB-C to HDMI Cable (image E)

The club's sound system comes with a Lightning Headphone Audio Adaptor (image F) suitable for connecting to iPhones and an Android-compatible 3.5mm audio plug (image G).

The Club can also provide a cordless microphone, lectern, whiteboard, portable TV and drop-down screen at no charge. The club's drop-down screens are affixed to walls in the Upper Auditorium and Conference Room. Complimentary Wi-Fi is available on request.

Any cables or equipment surplus to these that are required for a function must be supplied by the hirer. The club strongly recommends that AV equipment is tested before a function, please arrange an appointment with the club's Function Manager on 9427 6631 or email info@lanecovegolfclub.com.au
