## Competition Overview

### All Member Competitions – Conditions of Play

#### Single Events:

- To be eligible for all events specified below, members must have a full handicap at the time of the commencement of the event
- All events are defined as mixed gender, however major events can only be won by members of the gender designated by the event, for example Men's Championships, Women's Championships.
- Unless otherwise notified by the Committee, Junior Members shall be eligible for all events, subject to an assessment of their maturity and skill level.
- Women members must nominate as either a midweek or a weekend player and it is their performance on that day that will count for major events and eclectic

#### Multi-Round events:

- All events must be played on or before the date specified by the Committee
- Any variation to this requirement must be approved by the Committee
- Substitutions may apply in the event of a forfeit (1st Round only)

### Competition Days

Day of Week	Managed By	Comments
Tuesday	Women's Captain	Practice competition, always Stableford
Wednesday	Men's Captain	Mid-week competition,
Thursday	Women's Captain	Mid-week competition, including major events
Saturday	Men's Captain	Weekend competition, including major events
Sunday	Women's Captain	Weekend competition, including major events

### Recording of Scores

- All competition players must have another player to mark their card and they must agree the scores before the card is signed by both player and marker.
- All players are responsible for the correct entry of their scores into the system at the completion of their round.
- Players may use the MiScore phone App when applicable to the event, or else they will maintain a paper card which will be retained by the Pro Shop for two weeks. When not all players in the group are using the MiScore phone app, a paper card must be completed (by that player) and signed by at least two players in the group (ie the player and the marker).
- New members without a handicap must submit three 18 hole or six 9 hole cards that have been marked by a player with a valid Golfink number.

## Match Play

LCGC uses the Golf Australia Standard Match Play Index as outlined below.

Hole	Index	Hole	Index
1	18	10	5
2	8	11	11
3	12	12	2
4	3	13	15
5	14	14	7
6	6	15	13
7	10	16	4
8	1	17	17
9	16	18	9

Note: When using the match play index in match play competitions, the index should be adapted when a match commences at any other hole on the course other than the 1st. Hole 1 in the recommendation should apply to the first hole to be played, Hole 2 to the second hole to be played, etc

## Incomplete Rounds

- Where a player has chosen not to complete their round due to illness, emergency or fear of accident due to adverse condition, their card will be marked as No Score Approved.
- Where a player has chosen not to complete their round due to poor play or temperament, their card will be marked No Score Not Approved.
- Where the playing conditions have deteriorated such that the course becomes unplayable and play is abandoned, two options are possible:
  - If an 18 hole competition and all players have completed 9 holes, the competition will be converted to a 9 hole and scores for these holes will be uploaded.
  - If a 9 hole competition, or all players had not completed at least 9 holes, the competition will be cancelled and no results uploaded.
- Other than the example above of the course being unplayable, where a player has registered and paid to play in an 18 hole competition, they cannot change their mind and transfer to the 9 hole competition after they have commenced play.

## Hot Weather Policy

The policy for events managed by the Women's Captain is that if the forecast is for temperatures equal or above 31 degrees during the scheduled event, the event should be either reduced from 18 holes to 9 holes, or else cancelled.

The policy for events managed by the Men's Captain is that if the forecast is for temperatures equal or above 36 degrees during the scheduled event, the event should be either reduced from 18 holes to 9 holes, or else cancelled.

# Men's Competition Events

## Major Events

### (1) Club Championships

The format of the Club Championships has traditionally alternated between stroke play and match play. The format for 2026 to be agreed.

**Play:** Stroke – 2 rounds of aggregate stroke. No cut applies.

**Ties:** Play off over 18 holes at a time to be set by the Committee.

**Play:** Match play – Qualification criteria per grade to be agreed based on playing numbers. Then the agreed eligible players in each grade proceed to seeded match play rounds. Countback applies if necessary to determine eligibility in each grade (last 18 holes, last 9 holes, etc).

**Ties:** If a match is tied after 18 holes, it continues (sudden death) until a result is achieved. Additional holes commence at the 1<sup>st</sup> and continue in normal order until a result is achieved.

**Grades:** Club Championship – all eligible; B – 13 to 19; C – 20 upwards.

**Note:** The Ron Jeffrey 9 Hole Championship is played over one round in conjunction with the Club Championships with the winner being the lower stroke score net of handicap. Eligibility for this competition are those players otherwise ineligible for the Club's major championships, ie players hitting off the forward tees.

**Ties:** Countback (using the last 'counting' round, as per normal countback rules)

### (2) Foursomes Championships

The format of the Foursomes Championships for 2026 will be aggregate stroke net of handicap.

**Play:** Stroke – aggregate stroke net of handicap.

**Ties:** Play off over 18 holes at a time to be set by the Committee.

**Ties:** If a match is tied after 18 holes, it continues (sudden death) until a result is achieved. Additional holes commence at the 1<sup>st</sup> and continue in normal order until a result is achieved.

**Grades:** Foursomes Championship – all eligible.

### **(3) Singles Knockout**

A handicap match play event run over multiple weeks (as per fixtures schedule). Players enter by nominating on the Pro Shop Noticeboard when requested. The draw is random (as opposed to seeded) and players are eliminated when a match is lost.

**Play:** Handicap Match Play using the Match Play Index.

**Ties:** If a match is tied after 18 holes, it continues (sudden death) until a result is achieved. Additional holes commence at the 1<sup>st</sup> and continue in normal order until a result is achieved. Use of the Match Play Index continues for sudden death holes.

**Grades:** N/A

### **(4) 4BBB Knockout**

A handicap match play event run over multiple weeks (as per fixtures schedule). Teams enter by nominating on the Men's Golf Noticeboard when requested. The draw is random (as opposed to seeded) and teams are eliminated when a match is lost.

**Play:** Handicap Match Play using the Match Play Index

**Ties:** If a match is tied after 18 holes, it continues (sudden death) until a result is achieved. Additional holes commence at the 1<sup>st</sup> and continue in normal order until a result is achieved. Use of the Match Play Index continues for sudden death holes.

**Grades:** N/A

## Other Notable Events

### **Midweek Championship**

**Play:** Aggregate of 2 rounds of singles stableford over consecutive scheduled weeks.

**Ties:** Countback (Best 2<sup>nd</sup> round score, then using the 2<sup>nd</sup> round as per normal countback rules if still tied).

### **Captain's Cup and President's Cup**

**Play:** 18 holes nett stroke

**Ties:** Countback (as per normal method)

### **Veteran's Trophy / Super Veteran's Trophy / Long Marker's Trophy**

**Play:** 18 holes stableford

**Ties:** Countback (as per normal method)

**Eligibility:** Veteran's – players over 50 years of age on day of play; Super Veteran's – players over 70 years of age on day of play; Long Marker's – players with a Daily Handicap of 20 or higher on the day of play (ie C Grade).

### **Monthly Medals**

**Play:** 18 holes nett stroke

**Ties:** Countback (as per normal method)

**Grades:** A – 0 to 12; B – 13 to 19; C – 20 upwards.

### **Gold Medal**

**Play:** 18 holes nett stroke, in conjunction with the February Medal.

**Ties:** 18 holes play off at a time scheduled by the Golf Captain.

**Eligibility:** All Medal winners from the previous calendar year.

### **Yellow Ball Event (Further Explanation will be included closer to Event)**

Played as a team event with each member of the team completing alternate hit offs from the tee box.

Teams must be either 2, 3 or 4 players.

Each team is given a 'yellow ball' at the commencement of the day's competition. Their team remains in the Competition whilst retaining the yellow ball given to them.

Teams drop out if they lose their yellow ball or they deem it 'unplayable'. They should mark on their card which hole this occurs on.

The winner on the day is the team retaining their ball for the most number of holes. Count back rules will apply if multiple teams retain the yellow ball given to them on commencement after 18 holes of play.

### **Eclectic Competitions**

Four competitions aligned to the seasons (Summer, Autumn, Winter and Spring). In 2026 there will be no Summer competition due to the changing course configuration.

**Play:** Best scratch stroke score per hole over the set period of the competition. Only scores where there is an individual competition on the day in question are eligible. Match play scores are not eligible.

**Ties:** Joint winners are declared.

### **Centennial Cup**

A 2 player team stroke event played on both the Saturday and Sunday of the same weekend. The winning team will have the lowest nett score from playing one round during this weekend, on either day, but not both. Teams can be male, female or mixed.

### **Greenkeeper's Revenge**

Our Course Superintendent, Connor Chandler, has asked that we schedule a Greenkeeper's Revenge Day. We do not yet know any details but we gather that it involves challenging tee and flag positions as well as unusual obstacles. It is tentatively scheduled for September and we will provide further advice closer to the date.

### **Captain's v President's All Club Team Event**

This is a Stableford event played in both 9 hole and 18 hole competitions over Saturday and Sunday of a single weekend where each player is assigned to one of two teams. The Captain's team dress in red and the President's team dress in blue. The winners receive drinking glasses with the Lane Cove Golf Club logo on Presentation Night.

## Special Men's Competition Events 2026

Month	Date	Event
February	7 <sup>th</sup>	Gold Medal – played in conjunction with Monthly Medal
	14 <sup>th</sup>	Singles Knockout Rd 1
	21 <sup>st</sup>	Singles Knockout Rd 2
	28 <sup>th</sup>	Singles Knockout Rd 3

	28 <sup>th</sup>	Last Day of Men's Spring Eclectic
December	2 <sup>nd</sup>	First Day of Men's Summer Eclectic
	9 <sup>th</sup> .	Presentation Day

# Women's Competition Events

## Majors and Special Events

For all major events, parallel events are scheduled for both Thursday and Sunday and although a single player may play on both days, it is only the card for their designated day that will count.

### **(1) Club Championships**

The aggregate scores of three stroke rounds are used to determine both the Net and Gross winners in two divisions, A Handicap 0 – 33 and B Handicap over 33.

The Women's Club Champion is the Gross winner of Division A.

**Ties:** A Match Play off on the first suitable day.

### **(2) Foursomes Championship**

Two Stroke rounds are played on both Thursday and Sunday where a team of two players play only one ball with the tee shot alternating and each subsequent shot alternating between the two players.

**Ties:** A Match Play off on the first suitable day.

### **(3) Mixed Foursomes Championships (including the Col Buddle Trophy)**

Two stroke rounds are played on a Sunday with one male and one female member in each team. The Championship trophy is won by the lowest scratch score and the Col Buddle Trophy is won by the lowest nett score.

In the case of a tie for the Championships, there will be a sudden death playoff, but for the Col Buddle, then a countback as normal.

NB: Teams may not win both the Championship and the Col Buddle Trophy in the same year.

### **(4) Medal Rounds**

There are normally 6 medal rounds played each year. These are stroke rounds where putts are also recorded and a prize awarded for the lowest number of putts. The winner of the monthly medal for that day is the player with the best nett score over all players. The player who has the best Nett score in the other division is the winner of that division.

There are several trophy events that are played in conjunction with medal rounds, such as:

- The Traill Trophy
- The Goodwill Plate
- The Veteran's Challenge Brooch

**(5) Golf NSW Bowl**

A two-player team event where the best Stableford score is recorded for each hole. The best card should be submitted to Golf NSW by 30th September. The overall winners in NSW will be rewarded with a place the NSW Women's Open Pro-Am in January of the following year.

**(6) Silver and Gold Brooches**

During each medal round, there is an opportunity for a Silver Brooch to be won. The winner of the day can win a silver brooch if they have not previously won one, if they and the winner of the other division have already won a silver brooch then there is no brooch awarded for that round.

Once per year there will be a Gold Brooch Stroke event where all past Silver Brooch winners are eligible to compete. This is generally held on a Sunday after the last Medal Competition round. The Gold Brooch can only be won once.

**(7) President's Cup**

This is an 18 hole Stroke event where the winner has the best nett score. It alternates annually between Thursday and Sunday.

**(8) Captain's Salver**

This is an 18 hole Stableford event where the winner has the best point score. It alternates annually between Thursday and Sunday.

**(9) Bronze Trophy and Veteran's Cup and Margaret Tanner Trophy**

The Bronze Trophy is awarded in two divisions for the best aggregated score of two cards from three Stableford rounds played on both Thursday and Sunday.

The Veteran's Cup is played in conjunction and is awarded to players 50 years and over.

The Margaret Tanner Trophy is played in conjunction with the third round of the Bronze Event and is awarded to players 70 years and over.

**(10) Captain's v President's All Club Team Event**

This is a Stableford event played in both 9 hole and 18 hole competitions over Saturday and Sunday of a single weekend where each player is assigned to one of two teams. The Captain's team dress in red and the President's team dress in blue. The winners receive drinking glasses with the Lane Cove Golf Club logo on Presentation Night.

**(11) The Singles Knock Out**

This is a match play event played on both Thursday and Sunday over several months with a winner for each day presented at the end of year function.

**(12)     The Eclectic**

The Eclectic monitors the best score on every hole on the course from February until late October or early November. Changing handicaps over that long period can influence the eventual winner. Players can monitor their progress during the year, but the Eclectic reports are hidden for the final month to ensure a surprise on Presentation Night.

**(13)     The Summer Cup**

During the summer months the women prefer to play only 9 holes to beat the heat, but players can play the additional back 9 if they wish.

The Summer Cup is a 9 Hole Stableford competition where the winner has the best aggregated three rounds from eight possible rounds. There is a Thursday and a Sunday winner.

**(14)     Centennial Cup**

A 2 player team stroke event played on both the Saturday and Sunday of the same weekend. The winning team will have the lowest nett score from playing one round during this weekend, on either day, but not both. Teams can be male, female or mixed.

**(15)     Putting Prize**

Each time a stroke round is played, the players will record the number of putts taken on each hole. Only putts taken on the green are included, strokes using a putter where the ball is struck outside the green do not count towards the putting total. The total for the round is recorded in a spreadsheet and at the end of the year the rounds are totalled for each player and then divided by the number of stroke rounds they played to calculate their average putt rate. A player must have a minimum of three rounds recorded to be eligible. Players who participate on both the Thursday and Sunday stroke rounds can have both putting scores recorded. The player with the lowest average score will win the putting prize.
